Dear Mrs. Manley:

Following is a record of the umpires transportation I paid for the months of August and September. Also, be sure to send me McGrary's final check for \$150, as I have already paid him. You will also note that I have included umpires salary for Phil Cockrill at Washington on September 2, and September 8, as Posey did not pay him.

You will also note a phone expense for McGrary on August 12, which was the day Craig did not show up at Washington and McGrary made some phone calls to try and get things straightened out that day, which I refunded to him.

You can send me a check to take care of everything.

Sincerely,

ED. GOTTLIEB
